* Numbers represent % of the total of the sample (and not of the column)

At least 49% of the Latin Americans have inconsistent attitudes towards the democracy

- Q. Do you strongly agree, agree, disagree or strongly disagree with the following statements.
 In democracy, the economic system generally works well/ Democracy may have problems, but it is the best system of government/ I would not mind a non democratic government in power if it could solve the economic problems/ More than political parties and elections, what we lack is a decisive leader who is dedicated to resolving problems/ I prefer democracy to a leader with powers unlimited by law/ Only with a democratic system can (country) become a developed country/ Elections offer the voters a real option to choose between parties and candidates.
- Q. Please look at this card and tell me how much confidence you have in...? Democracy as a government system with which (country) can become a developed country

NOTE: Favorable mentions towards democracy refer to the number of times that the interviewee responds 'Agree' or 'Strongly agree' with a favorable affirmation towards the democracy or 'Disagree' or 'Strongly disagree' with a non favorable affirmation towards the democracy.
 Unfavorable mentions towards democracy refers to the inverse case.
